Responsibilities: Planting crops, harvesting produce, operating basic machinery, and maintaining clean farm fields and tools.

Description: This job post is designed to assist candidates looking for agricultural opportunities in Canada. The Canadian farming sector is currently seeking hardworking individuals for the upcoming seasonal and year-round harvesting

periods. As a General Farm Worker, you will be involved in essential primary agriculture activities, including soil preparation, irrigation, and the manual harvesting of various commodities like fruits, vegetables, and grains. This role is ideal for entry-level candidates who have the physical capacity to handle manual labor and a strong desire to work in an international environment.
