**Skills:** Strong analytical thinking, excellent data management and reporting skills, proficiency in Excel/BI tools, effective communication, time management, and problem-solving.

**Responsibilities:** Analyzing hotel performance data, identifying areas for operational efficiency, assisting with budget and forecast creation, supporting

technology implementation projects, and preparing strategic business reports for management.

**Description:** Alpi Ospitalità Group, a leading name in Italy's luxury hospitality sector, is seeking a motivated and analytical mind to join our team as a Hotel Management Business Analyst. This role is perfect for a lower-level or slightly experienced candidate looking to make a significant impact in a dynamic, high-growth environment. You will be instrumental in bridging the gap between data insights and strategic business decisions across our portfolio of exquisite Italian hotels. Your primary focus will be on assessing financial performance, optimizing operational procedures, and contributing to the overall profitability and guest experience enhancement.
