Responsibilities: Building wood structures, installing fixtures, framework construction, finishing surfaces, and maintaining equipment.

Description: Northern Cross Construction is seeking dedicated individuals for Carpenter positions across our Canadian project sites. This role is designed for lower-level or slightly experienced candidates who are looking to build a career in the North American construction industry. You will be responsible for assisting in various stages of construction, from initial framing to final finishing work. We value reliability and a strong work ethic as we maintain high standards for residential and commercial builds.
