The position offers a monthly salary between 2500-3200 USD, depending on experience and efficiency. Candidates should have basic education from 8th pass onward and must be physically fit for the demands of the role. Key skills include attention to detail, teamwork, reliability, and the ability to follow instructions precisely.

While this position is based in Canada, we do not provide or guarantee work visas. We only guide interested candidates on how to apply for work visas, work programs, or other legal entry methods to Canada. Our guidance includes information on the application process, required documents, and steps to submit an application through official channels. Candidates are responsible for completing the visa process themselves.
