As a Harvester, you will be a vital part of the daily harvest operations, ensuring that our high-quality fruits and vegetables are collected and prepared for market efficiently. Your primary duties will include:

- **Picking and Harvesting:** Carefully selecting and hand-picking a variety of fruits and vegetables (e.g., citrus, grapes, stone fruit, or vegetables) based on size, colour, and ripeness, often using specific tools or techniques.
- **Packing and Grading:** Sorting, grading, and securely packing harvested produce into crates or cartons, adhering strictly to quality control standards and procedures.
- **Crop Maintenance:** Assisting with general farm labour, which may include pruning, netting, thinning, weeding, and irrigation setup.
- **Loading and Transport:** Manually or assisted loading and unloading harvested produce and supplies onto trailers or into packing sheds.
- **Safety Compliance:** Following all workplace health and safety protocols, including the correct use of equipment and safe manual handling techniques.

Candidate Profile (Lower Level/Experienced)

We are looking for candidates who demonstrate a **strong commitment to hard work, reliability, and attention to detail**. Whether you are new to the agricultural sector or an experienced seasonal worker, we value your dedication.

- **Physical Stamina:** The work is physically demanding and requires a high level of fitness, involving prolonged standing, bending, lifting, and working outdoors in various weather conditions (sun, heat, or rain).
- **Attitude:** A positive attitude, a willingness to learn new harvesting techniques, and the ability to follow instructions diligently are essential.
- **Teamwork:** You must be able to work effectively as part of a diverse team to meet daily harvest targets and contribute to a productive work environment.
- **Flexibility:** The nature of agricultural work demands flexibility with working hours, which may include early starts and occasional weekend work, especially during peak harvest seasons.
