Description:

NorthStar Global Supply, Inc., a growing logistics and distribution company based in Chicago, Illinois, is seeking a diligent and detail-oriented Inventory / Logistics Specialist to join our operational team. This is an excellent opportunity for entry-level or modestly experienced candidates who possess a strong foundation in inventory control and a desire to advance in the global supply chain field. You will play a crucial role in ensuring the accuracy and flow of our products.

This employment opportunity is located in the United States. All candidates must have the legal right to work in the U.S. or successfully obtain the necessary work authorization prior to the start date.
