professionals, and adhering to Australian regulatory standards.

**Description:**

Australian Health & Wellness Group is seeking enthusiastic and dedicated Pharmacists to join our growing network across Australia. This role offers an excellent opportunity for both newly registered and moderately experienced pharmacists to advance their careers in a supportive, dynamic healthcare environment. We are committed to fostering a culture of continuous learning and high-quality patient care. Your core responsibilities will revolve around the safe and effective supply of medicines and providing expert advice to our community.

We understand that moving to Australia involves complex processes, especially concerning professional registration and visa requirements. We are here to guide successful candidates through the necessary steps.

**Work Visa Guide and Process to Apply:**

**Important Note:** We are an employer and not a registered migration agent or an authority on Australian visas. We do not issue or promise visas. We provide information and guide you on where to find official details for your visa application process.

**Registration and Skills Assessment:** International applicants must first have their qualifications assessed by the Australian Pharmacy Council (APC). This is a mandatory step for pharmacist registration in Australia and for most skilled migration visa applications. You may need to pass an examination (such as the KAPS or OPRA exam, depending on your country of qualification) and meet English language requirements.
