Responsibilities: Inspecting rail tracks, clearing debris, assisting in track repairs, and using hand tools

Description: This role offers a unique opportunity for individuals looking to start a career in the Australian railway industry. As a Railway Maintenance Worker, you will be part of a team responsible for the upkeep and safety of the rail network. The

work is primarily outdoors and involves physical tasks such as manual handling, track inspections, and using specialized equipment to ensure trains can run safely and efficiently. We are targeting candidates who are hardworking and ready to learn, as on-the-job training will be provided to help you understand the specific safety protocols and technical requirements of the rail sector.
