### Description

**Job Position:** Warehouse Executive

**Company Name:** Kiwi LogiSolve Ltd.

Kiwi LogiSolve Ltd., a dynamic and growing logistics company based in Auckland, New Zealand, is seeking motivated and detail-oriented individuals for the role of Warehouse Executive. This is a vital position responsible for coordinating and managing daily warehouse operations to ensure efficiency and accuracy. We welcome applications from both local and international candidates who are eager to contribute to a high-performing team.

**Base Salary:** 3,500 – 4,500 USD Monthly

This competitive salary reflects the standard for experienced roles in New Zealand's logistics sector and is offered monthly in US Dollars for international applicant comparison, with local payment in New Zealand Dollars.

**Qualifications:** Secondary School Certificate (or equivalent) or above

Candidates with a high school certificate or a higher qualification will be considered. Practical experience is valued highly.

**Experience:** 1-3 years in warehousing, logistics, or inventory management

We are looking for candidates who have some prior experience and are familiar with warehouse functions, or highly capable entry-level candidates ready to grow.

**Skills:** Forklift operation certification (preferred but not essential), strong communication skills, attention to detail, reliability, basic computer proficiency, ability to perform physical tasks.

The ideal candidate will be organised and able to work well in a fast-paced environment. Training will be provided, but a foundation in these areas is beneficial.

**Responsibilities:** Overseeing daily incoming and outgoing shipments, managing inventory records and stock accuracy, supervising a small team of warehouse staff, ensuring adherence to health and safety standards, assisting with picking, packing, and dispatch processes.

You will be expected to maintain a smooth flow of goods and contribute to a safe and productive workplace.
