**Skills:** Strong communication skills (written and verbal), attention to detail, basic knowledge of safety regulations (like NEBOSH IGC or IOSH Managing Safely), proficiency in Microsoft Office, and problem-solving abilities.

**Responsibilities:** Conducting site safety inspections and audits, assisting in risk assessments and method statement reviews, delivering safety inductions and toolbox talks, maintaining safety documentation and records, and supporting incident investigation procedures.

**Description:**

Qatar Development & Engineering is seeking dedicated and aspiring candidates for the role of Work Health Safety (WHS) Officer to join our dynamic construction/industrial team in Qatar. This position is ideal for those at the lower-level of their WHS career or with some initial experience, looking to gain comprehensive exposure in a demanding yet rewarding environment. The WHS Officer will be instrumental in ensuring a safe and healthy workplace for all employees and contractors, adhering to local regulations and international standards.
