Description

Amazon Recruitment 2023

We are looking for a talented and experienced Marketing Director to join our team. As a Marketing Director, you will be responsible for developing and executing marketing strategies and campaigns to drive brand awareness, customer engagement, and sales. You will lead a team of marketers across all channels, including digital, social, print, and public relations. You will also manage marketing budgets and track the performance of marketing campaigns.

Responsibilities:

- Develop and execute marketing strategies and campaigns to drive brand awareness, customer engagement, and sales.
- Lead a team of marketers across all channels, including digital, social, print, and public relations.
- Manage marketing budgets and track the performance of marketing campaigns.
- Partner with cross-functional teams, such as product, sales, and engineering, to develop and launch new products and services.
- Stay up-to-date on the latest marketing trends and technologies, and implement new strategies to improve marketing performance.
