Job Details

- **Employer:** Henkel
- **Position:** Business Planning
- **Location:** Germany (specific location may vary)
- **Job Type:** Full-time, Permanent
- **Salary:** Competitive salary based on experience and qualifications
- **Qualification:** Degree in Business Administration, Finance, or related field; experience in business planning or related fields is preferred

About the Role

As part of Henkel's **Business Planning** team, you will play a key role in supporting the company's strategic and financial planning processes. You will collaborate with various departments to ensure accurate forecasting, planning, and reporting, contributing to the overall business success. Your insights will be crucial in optimizing business performance and driving operational efficiency.

This role requires strong analytical skills, attention to detail, and the ability to work collaboratively with cross-functional teams to achieve the company's business objectives.

Key Responsibilities

- Support the business planning and financial forecasting processes.
- Analyze business performance and provide recommendations for improvement.
- Prepare and review financial and business performance reports.
- Assist in the development of annual budgets and long-term business plans.
- Work closely with various departments to gather data and ensure accurate and timely reporting.
- Identify trends, risks, and opportunities and communicate insights to management.
- Participate in strategic planning discussions and provide valuable data-driven insights.
- Monitor and track key performance indicators (KPIs) to measure business performance.
- Help streamline processes and ensure effective allocation of resources.
- Provide support in preparing presentations for senior management meetings.

Requirements

- Degree in Business Administration, Finance, Economics, or a related field.
- Proven experience in business planning, financial analysis, or a similar role.
- Strong analytical and problem-solving skills with the ability to interpret complex data.
- Excellent knowledge of business planning tools and systems.
- Proficiency in Microsoft Excel and other data analysis tools.
- Strong communication and interpersonal skills to collaborate with cross-functional teams.
- Ability to work independently and meet deadlines in a fast-paced environment.
- Attention to detail and high accuracy in reporting and analysis.
- Fluency in English (knowledge of German is a plus).

(adsbygoogle = window.adsbygoogle || []).push({});

Benefits

- Competitive salary with additional benefits.
- Opportunities for professional development and career progression.
- Work in a dynamic, global environment with diverse teams.
- Access to Henkel's various training and development programs.
- Employee well-being programs and flexible work options.
- A company culture that encourages creativity, innovation, and inclusion.

How to Apply

To apply for the **Business Planning** position at Henkel, visit the **Henkel Careers** website. Complete the online application form and submit your CV, detailing your relevant experience and skills. Henkel values diversity and encourages candidates from all backgrounds to apply.
