---

### Responsibilities:

- Develop and implement workplace health and safety programs.
- Conduct risk assessments and identify potential hazards.
- Ensure compliance with WHS legislation and Defence policies.
- Provide training and support to employees on safety procedures.

- Investigate workplace incidents and prepare detailed reports.
- Monitor workplace conditions and recommend improvements.
- Collaborate with managers and employees to promote safety awareness.
- Maintain accurate records of safety audits and compliance checks.
- Participate in emergency response planning and drills.
- Liaise with regulatory authorities on WHS matters.

---

**Skills:**

- Strong knowledge of Work Health and Safety (WHS) laws and standards.
- Excellent written and verbal communication skills.
- Ability to conduct thorough risk assessments.
- Strong leadership and teamwork abilities.
- Proficiency in safety management systems and tools.
- Problem-solving and decision-making skills.

---

**Qualifications:**

- Bachelor's Degree in Occupational Health and Safety, Environmental Science, or related field.
- Certification in WHS (e.g., Certificate IV in Work Health and Safety) is an advantage.

---

**Experience:**

- Minimum 2 years of experience in work health and safety or a related role.
- Prior experience in a government or Defence setting is preferred.

---

Join the **APS GOV.AU** team and contribute to creating safer workplaces across Defence. Apply today to secure a rewarding career in the public sector.
