Description

Duty Engineer Job in Bahrain

Are you an experienced engineer or aspiring professional looking for an exciting role in the hospitality industry? Marriott International, one of the world's leading hotel chains, is hiring for the position of **Duty Engineer** in Bahrain. This opportunity allows you to work in a world-class environment while contributing to the upkeep and maintenance of luxury properties.

Details of Duty Engineer Job in Bahrain

- **Position:** Duty Engineer
- **Location:** Key cities across Bahrain
- **Job Type:** Full-Time
- **Experience:** Freshers with training and experienced candidates
- **Knowledge Required:** Engineering systems, maintenance, and hotel operations
- **Age Requirement:** 23+
- **Salary:** 800-1,400 Bahraini Dinar/month

(adsbygoogle = window.adsbygoogle || []).push({});

About the Job

As a **Duty Engineer** at Marriott, you will be responsible for maintaining the hotel's facilities to ensure smooth operations and guest satisfaction. This position involves overseeing maintenance tasks, troubleshooting issues, and ensuring all safety standards are met. Whether you are a seasoned professional or a graduate eager to grow, Marriott offers the perfect platform to showcase and develop your skills.

Marriott encourages applications from candidates residing in Bahrain. However, if you're an eligible applicant from another country, **visa sponsorship** and relocation benefits are available.

[yarpp template="list" limit=3]

Key Responsibilities

As a Duty Engineer, your duties include:

- Inspecting and maintaining the hotel's mechanical, electrical, and plumbing systems.
- Responding to maintenance requests from different departments.
- Ensuring compliance with safety regulations and standards.

- Supervising and coordinating with technical staff for smooth operations.
- Troubleshooting and repairing equipment and systems as needed.
- Conducting regular inspections to prevent operational issues.

Requirements

To qualify for this role, you need:

- A degree or diploma in engineering (mechanical, electrical, or related fields).
- Prior experience in a similar role is a plus.
- Strong technical knowledge of maintenance systems.
- Good communication and problem-solving skills.
- Ability to work in shifts, including weekends and holidays.

Preferred Skills

- Experience in hospitality or hotel engineering.
- Proficiency in English (spoken and written); Arabic is an advantage.
- Team management and supervisory skills.

Benefits

Marriott International provides a competitive package that includes:

- Attractive salary in Bahraini Dinar.
- Health and life insurance coverage.
- Housing allowance or company accommodation.
- Free visa sponsorship for international candidates.
- Professional growth and training programs.
- Annual leave with travel allowances.
- Discounted rates for Marriott properties worldwide.

How to Apply

Interested and qualified candidates should apply through the **official Marriott careers website**. Ensure your application includes an updated resume, educational certificates, and any relevant experience documents.

Summary Overview

- **Position:** Duty Engineer
- **Job Type:** Full-Time
- **Location:** Manama, Muharraq, Isa Town, and other cities in Bahrain
- **Salary:** 800–1,400 BHD/month

Why Join Marriott International?

Marriott is not just a workplace; it's a community that values innovation, diversity, and growth. As a **Duty Engineer**, you will be part of a professional team committed to delivering exceptional guest experiences. Bahraini candidates are preferred, but Marriott welcomes applications from highly qualified international candidates, providing full visa and relocation support for eligible individuals.

Take the next step in your career. Apply today and join Marriott International, where your expertise meets world-class hospitality!
