```

---

## About the Job

Bapco is a leader in Bahrain's petroleum industry, known for its innovation and commitment to sustainability. As an **Electrical Engineering Graduate**, you will be part of a team that ensures the smooth operation of electrical systems in various facilities. The role offers hands-on experience, training, and career growth opportunities in a dynamic and challenging environment.

[yarpp template="list" limit=3]

We encourage applications from Bahraini nationals. However, qualified candidates from other countries are welcome to apply, with **free visa sponsorship** and additional relocation benefits.

---

## Key Responsibilities

As an Electrical Engineering Graduate, you will:

- Assist in the design, installation, and maintenance of electrical systems.
- Monitor and troubleshoot electrical equipment to ensure optimal

performance.

- Conduct safety checks and compliance assessments.
- Collaborate with senior engineers on project planning and execution.
- Prepare reports and documentation for electrical operations.

---

## Requirements

To be eligible, you should have:

- A bachelor's degree in Electrical Engineering from a recognized university.
- Knowledge of electrical systems, power distribution, and safety standards.
- Strong problem-solving and analytical skills.
- Fluency in English; Arabic proficiency is a plus.
- Ability to work independently and in teams.

---

## Preferred Skills

While not required, the following will make you a strong candidate:

- Internship or work experience in the energy or industrial sector.
- Familiarity with Bapco's systems and operational processes.
- Strong communication and interpersonal abilities.

---

## Benefits

Bapco offers a comprehensive package for employees, including:

- Competitive salary in Bahraini Dinar.
- Free visa sponsorship for international candidates.
- Health and life insurance.
- Housing allowance or accommodation.
- Professional training and development programs.
- Annual leave and paid holidays.
- Transportation facilities for work commutes.
