If you are searching for **jobs hiring near me, part-time jobs near me, or factory supervisor jobs**, this is an excellent opportunity to work in a dynamic environment.

(adsbygoogle = window.adsbygoogle || []).push({});

Responsibilities:

- Manage daily factory operations and workflow.
- Supervise and coordinate factory staff activities.

- Ensure production meets quality and efficiency standards.
- Monitor machinery and equipment for proper functioning.
- Implement and enforce health and safety protocols.
- Train and guide workers on procedures and best practices.
- Prepare reports on production, maintenance, and labor performance.
- Troubleshoot issues and resolve them promptly.
- Maintain a clean and organized factory environment.
- Communicate with management about progress and challenges.

Skills:

- Strong leadership and team management abilities.
- Excellent problem-solving and decision-making skills.
- Knowledge of manufacturing processes and quality control.
- Good communication and interpersonal skills.
- Ability to work under pressure and meet deadlines.

Qualifications:

- Diploma or Bachelor's Degree in Engineering, Manufacturing, or a related discipline.
- Certifications in production management or quality assurance are advantageous.

Experience:

- Minimum 2 years of experience in a supervisory role in manufacturing or production.
- Familiarity with factory safety regulations and best practices.

Join **Expatriate Careers** as a **Factory Supervisor** and take a step forward in your manufacturing career. Apply now to contribute to a fast-paced and rewarding work environment.
