## Description

### Financial Analyst Jobs in Austria

Are you a numbers enthusiast with a knack for analyzing financial data? Infineon Technologies, a leading global semiconductor company, is seeking Financial Analysts to join their team in Austria. This role offers an exciting opportunity to work in a dynamic industry and contribute to critical financial decision-making.

Candidates residing in Austria are strongly encouraged to apply. International applicants may also be considered, with visa sponsorship and relocation benefits available for eligible candidates.

---

#### Details of Financial Analyst Jobs in Austria

- **Company:** Infineon Technologies
- **Position:** Financial Analyst
- **Location:** Villach, Graz, Linz, and other Austrian cities
- **Qualification:** Bachelor's or Master's degree in Finance, Accounting, or a related field
- **Job Type:** Full-Time
- **Experience:** 2+ years in financial analysis, accounting, or a related role

- **Age Requirement:** 22 years and above
- **Salary:** €4,500–€5,800 per month

(adsbygoogle = window.adsbygoogle || []).push({});

---

#### About the Job

As a Financial Analyst at Infineon, you will play a critical role in shaping financial strategies by providing detailed analyses, forecasts, and insights. This role is ideal for individuals who enjoy working with data and want to make an impact in a high-tech environment.

[yarpp template="list" limit=3]

---

#### Key Responsibilities

##### 1. Financial Planning and Analysis

- Prepare and analyze budgets, forecasts, and financial reports.
- Monitor financial performance against plans and identify variances.

##### 2. Data Analysis and Reporting

- Develop financial models to support business decisions.
- Generate reports and dashboards to provide actionable insights for management.

### 3. Cost Management

- Analyze cost structures and recommend optimization strategies.
- Support project costing and profitability analyses.

### 4. Strategic Support

- Assist in long-term financial planning and risk assessment.
- Provide insights to support mergers, acquisitions, and investment decisions.

### 5. Compliance and Auditing

- Ensure compliance with financial regulations and company policies.
- Assist in internal and external audits.

---

## Requirements

### Education

- A Bachelor's degree in Finance, Accounting, Economics, or a related field is required.
- A Master's degree or professional certification (e.g., CFA, CPA) is a plus.

### Experience

- Minimum 2 years of experience in financial analysis or related fields.
- Experience in the technology or manufacturing sector is advantageous.

### Skills

- Strong analytical and problem-solving abilities.
- Proficiency in financial modeling tools and software (e.g., Excel, SAP, Power BI).
- Excellent communication and presentation skills.
- Detail-oriented with a focus on accuracy and efficiency.

### Language Proficiency

- Fluency in English is required; knowledge of German is an advantage.

### Age Requirement

- Candidates must be at least 22 years old.
