Details of Graduate Scheme Jobs in the United Kingdom

Company: Rio Tinto

Position: Graduate Scheme

Location: Various locations in the United Kingdom

Qualification: Degree in engineering, business, science, or related fields

Job Type: Full-time

Experience: No prior experience required (Fresh graduates are welcome)

Knowledge Required: Strong academic background and a passion for learning

Age Requirement: 18 years and above

Salary: £30,000 – £40,000 per annum

About the Job

The Graduate Scheme at Rio Tinto is designed to offer recent graduates the opportunity to develop their skills, build a career, and work on exciting projects within a global organization. The scheme covers a wide range of disciplines, including engineering, business, science, and sustainability. As a Graduate, you will be assigned a mentor and given the resources and support you need to succeed.

Over the course of the scheme, you will gain hands-on experience working with industry leaders, collaborate on key projects, and be part of innovative initiatives that shape the future of mining and resources. This is the perfect opportunity to start your career in a fast-paced, global company committed to growth and development.
