Responsibilities:

- Assist patients with daily tasks like eating, washing, and dressing.
- Monitor patients' conditions and report changes to nurses or doctors.
- Support medical staff during procedures and treatments.

- Keep patient records updated and accurate.
- Help maintain a clean and safe environment for patients.
- Provide emotional support and reassurance to patients and families.
- Administer basic care, including changing dressings or taking vital signs.
- Assist with mobility and rehabilitation exercises.
- Follow infection control protocols and ensure hygiene standards.
- Participate in training sessions to improve skills and knowledge.

Skills:

- Strong interpersonal and communication skills.
- Ability to work effectively as part of a team.
- Empathy and patience while working with patients.
- Basic understanding of healthcare procedures and hygiene.
- Good time management and organizational skills.
- Physical stamina to handle demanding tasks.

Qualifications:

- GCSEs in English and Math (or equivalent).
- NVQ Level 2 or 3 in Health and Social Care (preferred).
- First Aid or Basic Life Support training is an advantage.

Experience:

- No prior experience required; full training will be provided.
- Previous experience in caregiving, healthcare, or similar roles is a plus.

Join the NHS as a Health Care Assistant and become part of a team dedicated to improving healthcare for all. Apply now and take the first step toward a fulfilling career in the healthcare sector.
