Key Responsibilities

As a **Project Manager**, you will have various responsibilities to ensure the smooth delivery of projects:

- **Project Planning:** You will be responsible for creating detailed project plans, defining scope, timelines, and resources.
- **Team Coordination:** You will lead and coordinate teams to ensure tasks are completed efficiently and on time.
- **Stakeholder Communication:** Regularly communicate with internal and external stakeholders, ensuring everyone is informed of project progress.
- **Budget Management:** You will manage project budgets, ensuring that the project is completed within the financial limits.
- **Risk Management:** Identify potential risks to the project and develop

strategies to mitigate those risks.

- **Reporting:** Provide regular updates to senior management and other stakeholders about project status, challenges, and successes.
- **Quality Assurance:** Ensure that the final product meets the desired standards and quality.

Requirements

To apply for this position, candidates should meet the following requirements:

- **Education:** A bachelor's degree in Project Management, Business Administration, or a related field.
- **Experience:** At least 1 year of experience in project management or a related role. Freshers with strong leadership skills and a willingness to learn are also encouraged to apply.
- **Skills:**
 - Strong leadership and team coordination skills.
 - Excellent communication skills to interact with stakeholders.
 - Knowledge of project management software (e.g., Microsoft Project, Asana, Trello).
 - Ability to manage multiple tasks and projects simultaneously.
 - Strong problem-solving skills.
- **Certifications:** PMP (Project Management Professional) certification is a plus, but not mandatory.
- **Language:** Proficiency in English is required.

Candidates from Australia will be preferred. However, those applying from outside the country will be considered and may be eligible for visa sponsorship and relocation benefits.
