[yarpp template="list" limit=3]

Responsibilities

- Plan, manage, and oversee projects from initiation to completion.
- Ensure projects are completed within scope, time, and budget.
- Develop and manage project schedules, budgets, and resources.

- Coordinate with cross-functional teams and stakeholders.
- Monitor project progress and resolve any issues.
- Prepare and present project reports to management.
- Implement risk management strategies.
- Foster a culture of collaboration and accountability.

Skills

- Strong leadership and organizational skills.
- Proficiency in project management tools (e.g., MS Project, Jira).
- Excellent communication and interpersonal skills.
- Ability to manage multiple priorities and deadlines.
- Problem-solving and analytical thinking.

Qualifications

- Bachelor's or Master's degree in Engineering, Business, or related fields.
- Certification in Project Management (PMP, PRINCE2) is preferred.
- Proficiency in English; knowledge of German is an advantage.

Experience

- At least 3 years of experience in project management.
- Experience in managing engineering or technical projects is a plus.
