About the Job

The **Safety Officer** will play a critical role in promoting a safe and compliant work environment across Alba Bahrain's industrial sites. You will conduct inspections, train staff, and implement safety protocols to minimize risks and ensure adherence to Bahrain's safety standards.

[yarpp template="list" limit=3]

Key Responsibilities

- Develop and implement workplace safety policies and procedures.
- Conduct regular inspections to identify hazards and ensure compliance.
- Oversee risk assessments and recommend corrective measures.
- Investigate workplace accidents and prepare detailed reports.
- Provide safety training and awareness programs for employees.
- Ensure compliance with local and international safety standards.
- Collaborate with management to improve safety measures.
- Maintain accurate records of safety inspections, incidents, and training.

Requirements

- Diploma or degree in occupational health and safety, engineering, or a related field.
- Certification in safety management (e.g., NEBOSH, IOSH) is preferred.
- Minimum 2 years of experience in a safety role, ideally in the industrial or manufacturing sector.
- Knowledge of Bahrain's workplace safety regulations.
- Strong communication and organizational skills.
- Ability to work in high-pressure environments and handle emergencies effectively.
- Proficiency in Microsoft Office and safety management software.

Benefits

- Competitive salary paid in BHD.
- Free visa sponsorship for international applicants.
- Comprehensive health and life insurance.
- Annual leave and air travel allowance.
- Access to training and career development programs.
- Transportation allowance or company-provided vehicle.
- Opportunity to work with a leading global brand in the aluminum industry.
