Description

Science Internship Job in Canada

Are you a passionate science student looking for an internship opportunity with a global tech giant? Amazon Canada is offering **Science Internships** that will help you gain valuable hands-on experience in the field. If you're eager to learn, innovate, and contribute to impactful projects, this is the perfect opportunity for you.

Details of Science Internship Job in Canada

- **Position:** Science Intern
- **Location:** Various locations across Canada (Toronto, Vancouver, Ottawa, etc.)
- **Job Type:** Internship (Full-Time)
- **Experience:** Open to students or fresh graduates
- **Knowledge Required:** Basic understanding of science and research principles
- **Age Requirement:** 18+
- **Salary:** CAD 2,000–3,000/month

(adsbygoogle = window.adsbygoogle || []).push({});

About the Job

As a **Science Intern** at Amazon, you will have the opportunity to work alongside top professionals in the science, technology, and research fields. You will be involved in innovative projects that support Amazon's cutting-edge services and products. This is a chance to apply your academic knowledge in real-world scenarios, while gaining invaluable experience and learning from industry leaders.

[yarpp template="list" limit=3]

Amazon is committed to supporting local talent, but **international candidates** with the necessary qualifications are also encouraged to apply, with **visa sponsorship** and relocation assistance provided.

Key Responsibilities

As a Science Intern at Amazon, your responsibilities will include:

- Assisting in research and development projects.
- Analyzing data and helping in the development of scientific models.
- Working with senior scientists to test and improve various scientific hypotheses.
- Conducting experiments and assisting in research documentation.
- Supporting the science team in other tasks as required.

Requirements

To be eligible for this internship, candidates should have:

- Enrollment in a Bachelor's, Master's, or PhD program in Science, Technology, Engineering, or Mathematics (STEM) fields.
- A basic understanding of scientific research methods and data analysis.
- Strong analytical, problem-solving, and communication skills.
- Ability to work independently and as part of a team.
- Good time management skills and a strong work ethic.

Visa Sponsorship Jobs 2024

Preferred Skills

- Prior internship or research experience in a scientific setting.
- Proficiency in programming or data analysis tools (e.g., Python, MATLAB, R).
- Familiarity with scientific writing and research documentation.

Benefits

Interning at Amazon comes with great benefits, including:

- Competitive internship salary paid in Canadian dollars.
- Health and wellness benefits.
- Opportunities to network with professionals across the globe.
- Professional development and training programs.
- A chance to work on impactful projects that shape the future of technology.
- Free visa sponsorship and relocation benefits for international applicants (if applicable).

How to Apply

Interested candidates should apply through the **official Amazon careers website**. Be sure to include an updated resume and any relevant academic documents or

research experience. Applicants will be reviewed based on their academic achievements, skills, and enthusiasm for science and innovation.
