Description

Service Job in Finland

Metso, a global leader in sustainable technology and engineering, is looking for passionate individuals to join our team in Finland. If you have a keen interest in the service industry and want to work with cutting-edge technology, this could be the perfect opportunity for you.

Metso values candidates from Finland, but we also welcome international applicants who are ready to contribute and grow with the company. International candidates can receive visa sponsorship, along with relocation support and a range of benefits.

Details of Service Jobs in Finland

- **Company:** Metso
- **Position:** Service Job
- **Location:** Helsinki, Tampere, Oulu, and other cities in Finland
- **Qualification:** Degree or certification in a technical field (e.g., engineering, mechanics) or relevant experience
- **Job Type:** Full-Time
- **Experience:** Freshers and experienced candidates are encouraged to apply
- **Knowledge Required:** Basic technical knowledge and understanding of machinery and service operations
- **Age Requirement:** 18 years and above
- **Salary:** €2,500–€3,500 per month (depending on experience and location)

About the Job

As a service professional at **Metso**, you will be involved in the maintenance and support of our high-quality products and equipment. You will be working with a team of dedicated engineers and technicians to ensure the smooth operation of machinery and systems for our clients. This role provides an excellent chance to develop your skills in a challenging yet supportive work environment.

Metso is committed to providing training and growth opportunities for all employees. By joining us, you will be part of a team that values innovation and sustainable solutions.

[yarpp template="list" limit=3]

Key Responsibilities

1. Equipment Maintenance & Troubleshooting

- Carry out regular maintenance on Metso's equipment, including machinery and other technical systems.
- Diagnose and resolve issues quickly to minimize downtime for clients.
- Perform on-site repairs and upgrades as required.

2. Customer Service Support

- Work closely with customers to understand their needs and provide effective solutions.
- Provide technical advice and support on-site or over the phone.

3. Installation & Setup

- Assist in the installation and setup of new equipment for clients.
- Ensure that all systems are fully operational and meet Metso's high standards.

4. Documentation & Reporting

- Keep accurate records of all service work completed, including reports on equipment performance and customer feedback.
- Maintain detailed service logs to ensure all tasks are documented and compliant with internal procedures.

5. Continuous Improvement

- Identify opportunities for improving service processes and product performance.
- Suggest improvements based on feedback from customers and colleagues.

Requirements

Education

- A technical degree or certification in engineering, mechanics, or a related field is preferred. However, relevant experience may be considered in lieu of formal qualifications.

Skills

- Strong technical and mechanical skills, with the ability to troubleshoot and repair equipment.
- Excellent communication skills, both written and verbal.
- Ability to work independently and as part of a team.
- Proficiency in basic computer programs (e.g., Microsoft Office).

Experience

- Previous experience in a service or technical role is an advantage but not mandatory.
- Freshers with a strong technical background are encouraged to apply.

Language Requirements

- Proficiency in English is required. Fluency in Finnish is an advantage but not essential.

Age Requirement

- Applicants must be at least 18 years old.

Benefits

As part of the **Metso** team, you will enjoy several benefits:

- **Competitive Salary:** €2,500–€3,500 per month based on experience and location.
- **Training & Development:** Opportunities for professional development and on-the-job training.
- **Visa Sponsorship:** For international candidates, visa sponsorship and relocation assistance are provided.
- **Work-Life Balance:** Flexible working hours and the possibility of remote work (depending on the role).
- **Health & Wellbeing:** Comprehensive health insurance and other wellness programs.
- **Growth Opportunities:** Career advancement opportunities within the company.

How to Apply

To apply for the **Service Job** at **Metso**, follow these steps:

1. Visit the official **Metso Careers** website and search for available service job positions in Finland.
2. Fill out the online application form and upload your CV and cover letter.

3. Submit your application and await further communication from our recruitment team.

Make sure your CV highlights any relevant experience or skills, and don't forget to mention why you are interested in working at **Metso**.

In Summary

- **Position Name:** Service Job
- **Company:** Metso
- **Location:** Helsinki, Tampere, Oulu, and other cities in Finland
- **Qualification:** Technical degree or certification (or relevant experience)
- **Job Type:** Full-Time
- **Experience:** Freshers and experienced candidates welcome
- **Knowledge Required:** Basic technical knowledge
- **Age Requirement:** 18 years and above
- **Salary:** €2,500–€3,500 per month

Apply today and start your career with **Metso**! This is your chance to work in a global company that values innovation, sustainability, and the growth of its employees.
