---

### Responsibilities

- Operate machinery and equipment (for skilled roles).

- Assemble, package, or handle materials and products.
- Assist in warehouse tasks such as loading and unloading.
- Ensure the workspace is clean and safe.
- Follow instructions from supervisors and team leads.
- Participate in team meetings and safety briefings.
- Maintain quality standards and meet production targets.

---

## Skills

- For Skilled Workers: Technical skills in machinery, equipment operation, or assembly.
- For Unskilled Workers: Willingness to learn, reliability, and physical stamina.
- Good communication and teamwork abilities.
- Basic knowledge of safety regulations and workplace standards.

---

## Qualifications

- For Unskilled Workers: No specific qualifications required (training provided).
- For Skilled Workers: Certification or relevant experience in technical roles preferred.
- Ability to adapt to a fast-paced work environment.

---

## Experience

- Freshers are encouraged to apply for unskilled roles.
- Skilled roles may require prior experience or technical certifications.
