Job Description

Rosneft is hiring **skilled workers** for various positions in its energy sector. If you are seeking a **work visa** and **free visa sponsorship** to work in Russia, this is your chance. Whether your specialty is welding, electrical work, plumbing, or mechanics, Rosneft offers excellent opportunities to apply your skills.

[yarpp template="list" limit=3]

Responsibilities

- Perform technical tasks based on your specialty (welding, plumbing, etc.).
- Maintain and repair machinery and equipment.
- Ensure compliance with safety standards.
- Help install and maintain industrial systems.
- Work as part of a team to meet project goals.
- Report work completed and any issues.

Skills

- Strong technical skills in your trade.
- Ability to work independently and as part of a team.
- Good problem-solving and troubleshooting skills.
- Attention to detail and safety awareness.

(adsbygoogle = window.adsbygoogle || []).push({});

Qualifications

- Relevant technical qualifications and certifications.
- Additional experience or certification may be required depending on the position.

Experience

- Previous experience in a skilled trade is required.
- Freshers may apply for some positions with the necessary technical skills.

Apply now to join Rosneft as a skilled worker in Russia. Take advantage of **visa sponsorship** and become part of one of the leading companies in the energy industry. Don't miss out—apply today!
