**Location:** Doha, Al Rayyan, Al Khor, and other major cities in Qatar

**Qualification:** High School Diploma or Equivalent (Preference for candidates with technical or engineering backgrounds)

**Job Type:** Full-Time

**Experience:** Freshers or Experienced candidates welcome

**Knowledge Required:** Basic technical skills in operations, safety awareness, and problem-solving.

**Age Requirement:** 20-40 years old

**Salary:** QAR 8,000 – QAR 12,000 per month

---

## About the Job

Are you looking for a great opportunity to join a respected company in Qatar? Qatar Energy is hiring for the position of **Station Officer**. If you're interested in a rewarding career with one of Qatar's top companies, this is a chance for you. We're looking for candidates who are passionate, responsible, and ready to take on exciting challenges.

[yarpp template="list" limit=3]

Whether you're a recent graduate or someone with experience in technical fields, this position offers you the chance to grow in the energy sector. As a **Station Officer**, your primary responsibility will be to ensure smooth operations and maintain safety standards within the station.

(adsbygoogle = window.adsbygoogle || []).push({});

## Key Responsibilities

- **Supervise Station Operations:** Ensure the safe and efficient operation of station equipment and machinery.
- **Monitor and Report:** Keep track of the station's performance, identifying any issues, and reporting them promptly.
- **Safety Compliance:** Follow all safety protocols to ensure a safe working environment for all employees.
- **Emergency Response:** In case of emergencies, act quickly to manage the situation and follow the proper procedures.
- **Team Coordination:** Work with a team of technicians and engineers to ensure the station operates without issues.
- **Preventive Maintenance:** Help with routine checks and maintenance to

avoid equipment failure.

- **Document and Record:** Keep accurate records of operations, maintenance, and safety procedures.

## Requirements

To be successful in the **Station Officer** role, candidates must meet the following requirements:

- **Education:** A High School Diploma or Equivalent is required. Candidates with further technical qualifications (e.g., in engineering or electrical) are preferred.
- **Skills:**
  - Basic knowledge of operating machinery and equipment.
  - Ability to follow safety standards and procedures.
  - Good communication skills, both verbal and written.
  - Problem-solving skills to quickly address issues that arise.
- **Experience:** Freshers are welcome to apply, but prior experience in technical or engineering fields will be considered an advantage.
- **Age:** Candidates between 20 and 40 years old will be preferred.
- **Language:** Good command of English is necessary. Knowledge of Arabic is a plus.

## Benefits

Working as a **Station Officer** with Qatar Energy comes with many benefits, including:

- **Competitive Salary:** QAR 8,000 – QAR 12,000 per month.
- **Health Insurance:** Full coverage for medical expenses.
- **Annual Leave:** Generous vacation days to relax and recharge.
- **Training and Development:** Opportunities for further learning and career growth within the company.
- **Accommodation:** If you're relocating from another country, accommodation will be provided.
- **Visa Sponsorship:** Free visa sponsorship for candidates from other

countries.

- **Allowances:** Additional allowances for transportation and housing.

## How to Apply

If you are interested in applying for the **Station Officer** position, you should submit your application through the official Qatar Energy careers site. Make sure your resume highlights your relevant experience and skills. Applications must be submitted by [insert deadline date here].

If you're applying from outside Qatar, don't worry. Qatar Energy offers free visa sponsorship to eligible candidates from other countries. We encourage applicants who are passionate about the energy sector and ready to make a difference.
