Experience: Freshers and Experienced candidates are welcome

Knowledge Required: Strong understanding of financial operations, accounting, and management

Age Requirement: 21-40 years

Salary: AED 12,000 – AED 15,000 per month

About the Job

As a Finance Manager at Noon, your role will be essential in ensuring the smooth financial operations of the company. You will oversee the financial planning and analysis, manage budgets, and work closely with various departments to ensure that the company's financial goals are met. Noon is a fast-growing e-commerce platform, and we are looking for someone who can thrive in a dynamic, fast-paced environment.

This job requires strong attention to detail, the ability to solve complex financial issues, and the capacity to work under pressure. As a Finance Manager, you will also play a key role in advising senior management on the financial health of the company and contributing to strategic decisions.

We are seeking candidates who are passionate about finance and have the skills to manage a team and handle financial responsibilities. This is a fantastic opportunity for both freshers and experienced professionals who want to grow in the finance sector and become part of a successful and thriving company.
