About the Job:

As a Business Management Intern at UBS, you will work closely with the business management team to assist with the daily operations and strategic planning of business processes. This internship is designed for students who are looking to gain real-world experience and insight into the operations of a global financial institution.

In this role, you will be involved in various aspects of business management, including data analysis, process improvement, project coordination, and reporting. You will also have the opportunity to collaborate with different teams across the company, giving you a broad understanding of how UBS operates as a global financial institution.

This is a great opportunity to learn from experienced professionals, develop key skills, and build your network in the business and finance industry.

Key Responsibilities:

As a Business Management Intern, your responsibilities will include:

- **Supporting Business Operations:** Assist the business management team with daily operations and help improve business processes and efficiencies.
- **Data Analysis:** Analyze business data to identify trends, patterns, and opportunities for improvement.
- **Project Coordination:** Help coordinate and manage projects within the business management team.
- **Reporting:** Prepare reports and presentations for senior management, summarizing key business insights and performance metrics.
- **Process Improvement:** Suggest and help implement improvements to business processes.
- **Collaboration:** Work closely with different teams within UBS to ensure smooth communication and cooperation.
- **Research:** Conduct research on business topics, market trends, and competitor activities.

Throughout the internship, you will have the chance to contribute to important business initiatives and gain valuable insights into the financial services industry.
